

ORDINANCE NO. 2016-07-19A
CITY OF CLARKSBURG, TENNESSEE

AN ORDINANCE AMENDING TITLE 18, SECTION 203,
OF THE CLARKSBURG MUNICIPAL CODE
RELATIVE TO SEWER CONNECTION FEES

**BE IT ORDAINED BY THE BOARD OF MAYOR AND
ALDERMEN OF THE CITY OF CLARKSBURG THAT:**

Section 1. Clarksburg Municipal Code §18-203 be deleted in its entirety and that the following words and symbols are substituted therefore:

18-203. Sewer connection fees. (1) No permit to connect to the public sanitary sewer shall be granted unless the applicant first pays to the city recorder a sewer connection fee. The fee for a standard connection shall be set by resolution of the Mayor and Board of Alderman.

(2) Standard connections use schedule 40 PVC 4" diameter pipe and does not include the cutting, removing, repairing or boring of streets or driveways. The City will lay new schedule 40 PVC 4" diameter pipe to the customer's property line.

(3) Any additional cost associated with installation will be assessed to the customer. Additional cost of installation is to be determined on an individual basis by the Director of Public Services/Mayor or his/her designee and is to be representative of the additional costs of installing the connection to the public sanitary sewer in excess of a standard connection, including both the size of the pipe, manpower, equipment use, materials needed, the need for a grinder pump and cost associated with boring, removing or repair of streets or driveways.

Section 2. This Ordinance shall take effect immediately upon its adoption, the public welfare requiring it.

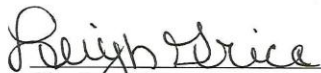

PASSED on First Reading July 19, 2016.

PASSED on Second Reading August 15, 2016.
